The Chairman, Mrs Lincoln, presided, and introduced the speaker of the afternoon, Rev. Dear Mrs. Dopp -

We missed you yesterday of Course, but your good friends at the Church welcomed us all most graciously, and gave us a delicious tea at the end of the afternoon. Miss Hussey was a fine speaker. Mid winter meeting
Feb. 18 - 1923

The Mid-Winter meeting of the Inter-Church Committee of Brookline was held at All Saints Church on Fri. Feb. 18 at three o'clock.

The Chairman, Mrs. Parker opened the meeting with prayer, after which the secretary's report was read and approved.

Mrs. Parker announced that the May meeting was to be held at the Church of Our Saviour. She outlined briefly the work of the Inter-Church Committee and spoke of the splendid spirit of cooperation existing among the Protestant churches of Brookline.

Dr. Clark, pastor of All Saints Church welcomed the committee warmly. The speaker Dr. Charleton S. Fronucis was then

presented and read a most entertaining and informing paper entitled "Reveries of a Medical Practitioner".
As he paid tribute to the doctor of the old days, we could but feel that the present generation is missing something beautiful and fine in the relationship between doctor and patient. In the previous generation the doctor was not only a healer of physical ill but a friend to whom the family turned in time of sorrow or distress. To day, in many instances, the patient is simply an interesting case rather than a valued friend.
Dr Francis cited many unusual cases as discribed in a medical journal of 18th. century, the most startling

one ~~being~~ that of a mid-wife who performed a Caesarian operation with the aid of a razor and a tailor's thread and needle, the wound healing in 21 days. He spoke also of many Brookline doctors especially Dr. Brigham and Dr. Aspinwall who made such a courageous fight for inoculation for small pox, in the face of cruel criticism of citizens and press, threatened lynching and even bomb throwing. Dr. Francis paid loving tribute to his own father who was also a physician and told many amusing incidents in his practice, one of which I may take the time to relate. The doctor was called to the telephone in the middle of the night - a voice anxiously inquired "Are you young and Brown" (Druggists) and Dr. Francis

replied "No, I am old and gray".
The audience listened most attentively and applauded heartily when the talk was ended. The hostesses of All Saints Church served a delightful tea and we feel the day was one of the most interesting the Committee has ever had.

Mrs. Parker graciously presented the speaker of the afternoon Miss Annie Townsend who read a most entertaining

and instructive paper written by Col. Townsend of Tenn. entitled "Flags of America and their place in the history of our nation".

We were told of 47 flags under whose folds our nation has developed. As each was described, a picture of it was displayed by stereopticon which added greatly to the interest.

The first eleven flags commencing with the Viking whose origin went back to 1000 A.D to the Dutch West India Co brought in 1621 to New Netherlands now New York, were foreign flags.

Then followed 10 Continental flags the 8th. of which was the first flag where all British influence was eliminated it being a pine tree on a white ground.

The five Rattlesnake flags each with its motto "Don't tread on me" came next

the symbol of the patriotism being magnanimity and true courage.

Then followed 12 colonial flags in which group were shown the first distinctly American flag of the South, The First Navy Stars and Stripes and the Star Spangled Banner of 1814.

Four State flags and four Confederate flags were displayed and then Old Glory the visible symbol of the American people to the present day.

The audience applauded heartily and Mrs. Parker thanked Miss Townsend and her sister for a very pleasant hour. The ladies were then invited to go down stairs where the committee served sandwiches, cakes and coffee to the 42 who were present. Special guests were Miss Brown

of the Brookline Friendly Soc.
and Miss Rose of the Health

Mid Winter Meeting
February 9 - 1940

The mid-winter meeting of the Inter Church Committee was held on Friday, Feb. 9 at the Brookline Baptist Church.

The chairman, Mrs. Denison called the meeting to order at 3 o'clock and offered prayer after which the report of the secretary was read and approved. It was announced that the May meeting would be held at Leyden Church.

The speaker of the afternoon was Rev. Samuel M. Lindsay pastor of the entertaining church. His subject was "A Design for Living". He prefaced his talk with the statement that Christianity is as much bigger than Denominationalism as Humanity is bigger than Nationalism and that there is no hope that Christianity will conquer the world unless we all come to realize this and work together

toward that goal.
As to a design for individual life that will bring happiness and satisfaction he gave a five point plan -
I. Cultivate an appreciation of nature - of flowers, trees birds and stars
II An appreciation of people.
III " " " literature
IV " " " the church
V " " " Jesus Christ who taught the value of individuals to God.
Today perhaps more than ever before we all realize that a design for living is necessary if we are to maintain peaceful and harmonious lives in the midst of world turmoil.

The Chairman, Mrs. Denison welcomed the ladies most cordially and opened the meeting with prayer. The secretary's report was read and as this was a social meeting all other reports were dispensed with. The chairman then presented the Rev. William R. He gave vivid word pictures of a trip over the Sierra Madre Mts., on the great Pan American Highway also of Monterey and Mexico City

Annual reports of work done in the various churches were presented by chairmen of the sub committees and in figures almost unbelievable came the lists of garments and surgical supplies furnished during the year The totals were as follows

On suggestion of Mrs. Soule it was voted to ask the secretary to state on the card sent out for the annual meeting, just the organizations for ~~which~~ work was to be reported. As each church has denominational work aside from the Inter Church work it would seem less confusing if only work from the institutions served by this Com. be reported at this annual meeting.

It was announced that the Oct. meeting would be held at All Saints Church - Feb. at Harvard and probably the May meeting would be cared for by the Universalist group.

The speaker of the afternoon was Mrs. Frank K. Sanger, Gen. of Mass. Federation of Women's Church Societies whose topic was entitled "These Three"

Faith - Hope and Love as exemplified in Federations of Women.

Federation - comes from a word whose root meaning is faith. As we meet in Federated groups we have faith in each other - faith in the same God - in the same Bible - and faith that we can work together for the larger service of mankind

She spoke of the objectives of the Federation - To spread the Gospel, to promote the World Day of Prayer - Lenten Observance - Mission Study Groups - International and Inter racial understanding Religious Education, to help women to become better informed on local problems and to take an active interest in their solution, to have an intelligent knowledge of enacted and pending legislation - to sum up the definite object being

to help establish a social order ~~who~~ in which all areas of life shall be in harmony with the teaching of Jesus Christ.
In other words - putting our religion to work.
Mrs. Sinclair spoke of the remarkable step taken by the R.C. Catholic church On Sunday May 15 - a New Testament is to be placed in every Catholic home. An example we might do well to emulate, as there are 17 million boys & girls in U.S not touched by any religion.
She told us that the church is the oldest institution in the world and has the greatest number of paid and unpaid workers and wherever the church is active and alert the community rises to higher standards of living.
She spoke of many interesting experiences - of meeting a Japanese who told of his Christian mother

memorizing and transcribing whole books of the Bible - of another who said that even in concentration camps the christian spirit is alive and manifesting itself in simple church services - she told of her visit to the beautiful chapel at Valley Forge and read Washington's prayer for the U.S as inscribed there. Each of the 48 states conducts a church service on one Sunday of the year there.

after a question period when many matters pertaining to federation organization were clarified the meeting was closed by prayer and all adjourned to the tea room where dainty refreshments were served by the ladies of the church. 35 present,

The Brookline Inter-Church Committee met for its annual meeting in the Parish House of the Church of Our Savior on Tuesday, May 23d at 2.30 p. m.

The opening business was the report of the nominating committee, Mrs. Bigelow, Chairman, and read by Mrs Dopp. The names of Mrs Henry Wolcott, Chairman and Mrs A. Burton Nelson, Secretary were presented. A vote was taken and seconded electing these officers for ~~the coming~~ two years

Mrs Wolcott then took the Chair and officially opened the meeting with prayers.

A letter from Miss Townsend was read, thanking the Committee for the splendid work done for the Anti-Tuberculosis Society.

The Secretary was instructed to write letters to Miss Townsend, regretting her recent illness and one of condolence to the family of Mrs. Dennison of all Saints' Church.

Mrs Wolcott said she had contacted Mrs. Harold Thomas of the Church of Christ regarding their joining the Inter-Church Committee, but said they could not make a decision at this time. They will,

however, be invited to attend the fall meeting.

It was voted and seconded to assess each member Church 50¢ a year to reimburse the secretary for stationery and postage; the amount to be paid at the October meeting.

Plans for next years meetings were discussed. All Saints Church offered to entertain in October, Harvard Church in February and the 1st Parish Church in May.

Presentation was then made of the Annual Reports. Despite the difficulties of securing materials for many items, the figures were most gratifying.

The final figures as presented, in their order, were as follows:-

Baptist	799
First Parish	328
Harvard	1096
Leyden	1041
St Mark's	1418
St. Paul's	337

Some Red Cross work was reported as a matter of interest but not included in the total figures.

After a short prayer the meeting adjourned and we all enjoyed a chat over our tea and coffee cups served by Mrs Coyle and her Committee

The fall meeting of the Inter Church Committee was held Friday, Oct 6th in the Parish House of All Saints Church. Mrs Wolcott called the meeting to order at 2:30 and opened with a prayer. The Secretary's report and correspondence were then read.

Mrs Wolcott reported that the Presbyterian Church had been asked to join the Committee but on account of missionary and Red Cross work would be unable to do so at this time. We were, however, glad to learn the Church of Christ had accepted. Mrs Harold Thomas, wife of the Minister of the Church, was introduced and participated in the committments for this year's work.

The mid-winter meeting is to be held at Harvard Church and as the Inter-Church Committee is now twenty-five years old, the Chairman suggested asking Mrs Philip Parker to prepare a story of the beginning and early days. This was so proposed and voted.

Mr. Sedgwick, Pastor of All Saints

welcomed us and said it seemed most appropriate for us to open our year at All Saints since they were about to celebrate their fiftieth anniversary; also that the mid-winter meeting, marking the twenty fifth of the Committee, also occurs during the 100th year of Harvard Church. He gave us a most inspirational talk about our homely duties, with none of the glamour of uniforms, but none the less important in maintaining our way of life.

Miss Annie Townsend of the Anti-Tuberculosis Society spoke a few words of thanks for work done for the Society. She told of new work being done along the lines of rehabilitation - finding suitable work for those able, and sending some to Rutland during the winter.

The lists from the agencies were then read. Despite the difficulties in obtaining materials, nearly all the submitted items were pledged.

The meeting was then adjourned. Mrs. Spalding and her Committee served a delicious tea and we all enjoyed

a visit with our fellow members.

Feb. 14, 1945

The mid winter, social meeting of the Inter-Church Committee was held February 14, 1945 in the Womans Guild parlor of Harvard Church. The Chairman opened the meeting with a prayer, followed by the Secretary's report.

Mrs. Wolcott then gave us a most intresting summary of the 25 years of the Committee. Some of the high-lights were the fact that the Committee was started by the Woman's Council of Harvard Church in 1919 for "benevolences and good work;" that Miss Emily Denny has been the Chairman of the First Parish Church group continuously for the twenty five years; that Mrs Leland who has served as Secretary, was President of the Harvard Church group at the time of organization of the Committee and that both she and Mrs. Bigelow, Chairman of St. Paul's workroom were present at the first meeting and were present on the anniversary.

The Chairman then introduced Mr. Henry Helms from Morgan Memorials where his father, Dr Ernest Helms was a prime mover for many years.

His talk was in terms of music, the first being called the Kit Parade. The first stanza in terms of materials, good will bags, newspapers, cast off clothing and furniture; second stanza in terms of man and woman power and those in the service; the third stanza in terms of morale, the fact that this is not a charity but a chance to work and become self sufficient.

His next was a symphony called the "Melody of Memory" and listing the divisions of Morgan Memorial Work

1st The nursery school

2nd Educational program for children from 6 to 15, which includes scout work, clubs, classes and music.

3rd "Young men of the Road" who find a home at the Chas. Hayden Good-Will Institution

4th Elderly Ladies who live at the Eliz A Henry Home

5th Men living at the Mission

6th Work in the Good will Workshop where they are paid for all work. 85% are self-supporting.

Mr. Helms also told us of the wonderful

Church services conducted by several ministers and given in many languages. Another interesting branch of service is the Douglas summer camps, named after the husband of our Committee's first Chairman Mrs. Roswell S. Douglas.

Mr. Helms then held a short question period, after which Mrs Wolcott led us in a prayer for our continued service in our work. The business of the meeting being closed, we adjourned for tea, served by the members of the Emergency Relief room of the Church. We had a cake, lighted with twenty-five candles in honor of the anniversary.

The Spring meeting of the Inter-Church Committee was held on May 11th at 3. p.m. in the Parish House of the First Parish Church.

The Chairman opened with a prayer. She then suggested we have roll call before each meeting in order to know whether or not each Church is represented. Such a roll call was taken and all Churches were present.

The matter of next year's entertaining churches was discussed and Lyden, Baptist and St. Paul's volunteered for the meetings in that order.

The Churches then made their reports. Several Chairmen had listed pieces of material rather than the number of items obtained therefrom with the result that in some cases the total of their work is an estimate. The reports are as follows:

All Saints Church	125
Baptist	521
Church of Christ	206
Church of Our Savior	120
First Parish Church	132
Harvard Church	1492
Lyden Church	1648

The Brookline Inter-Church Committee met on October 5th in the Parish House of Lyndon Church.

Because of the illness of our Chairman, Mrs Wolcott, Mrs. Leland, who had kindly consented to preside, opened the meeting with a prayer.

After the roll call, it was voted and seconded that the secretary write Mrs. Wolcott, regretting her illness and absence.

The secretary's report was read and approved.

We had the pleasure of hearing from Mrs. Pollock from the Mass. Memorial Hospitals in an informal talk and discussion about the hospitals difficulty in their own work rooms. Mrs. Pollock suggested that some of the members might be willing to go to the hospital to work, each Church taking a certain time every month. After some discussion, however, it was generally agreed that the Churches would prefer to do the work in their own rooms, with the promise that the finished articles would be returned

in as short a time as possible. Mrs. Pollock then read the list of the present requirements and it was then included with the other lists.

Mrs. Liland read the Agencies requests and the Committe members made their pledges. Although we still had to pledge more or less on the condition of obtaining materials, a very large number of the items were promised for each agency.

The meeting was then adjourned and we talked about our plans and problems over our cups of tea.

The mid-winter social meeting of the Brookline Inter-Church Committee met at the Brookline Baptist Church on Friday, February 15th.

The meeting opened with the singing of a hymn led by all the members and the Chairman gave a prayer.

The Secretary's report was read and approved, after which roll call was taken.

We then had an informal discussion about the work already done on the pledges and the continuing difficulty we all are encountering in obtaining the necessary materials.

A nominating committe was selected and the Secretary was instructed to write each one asking her to serve. The nominations will be presented at the next meeting and the officers then elected.

The speaker for the afternoon was Mrs. Alexander Grant of Dedham, who gave an informal story of the growth and work of The Good

Samaritan Hospital. This hospital was begun many years ago by Miss Robbins in her own home and at that time was for both women and children and took care of orthopedic and tubercular cases. In 1930 a campaign was conducted and a Research Wing was built at the Hospital which they then ~~now~~ occupied. The Hospital now treats children suffering from Rheumatic fever.

The children, who are able to study, are taught by teachers provided by the Boston School Dept. and many complete their education.

Because of the splendid care these patients recive, many are able to return home and lead practically normal lives.

Since the Committe works for this Hospital it was intresting to learn more about it and Mrs. Grant kindly answered questions about the Hospital and its work.

The meeting adjourned to the parlors and tea was served by the ladies of the Church.
